

Introducing Drinko: Revolutionizing Cocktail Crafting at Home

Drinko: Cocktail Recipes, an innovative app launched in June 2023, empowers users to craft superior cocktails with ease. Developed by an independent developer, Drinko offers a comprehensive solution for both beginners and seasoned cocktail enthusiasts seeking to enhance their mixing skills.

Key Features

- **Classic Recipes Library:** Explore over 100 classic cocktail recipes curated to inspire your next drink.
- **Bartending Tutorials:** Learn essential bartending techniques to refine your skills and elevate your cocktail game.
- **Smart Cabinet Tracker:** Track ingredients in your pantry to avoid unnecessary purchases and streamline your cocktail-making process.
- **Favorite Recipe Management:** Save your favorite cocktails and create custom recipes to tailor your experience.

Availability

Drinko is available for free on major iPhone, iPad and Mac, offering a seamless and accessible experience for users eager to improve their bartending skills at home.
